

Classifier:: Hierarchy View

[start over | assignment detail | help]

Classifier: RDP Naive Bayesian rRNA Classifier Version 2.11, September 2015

Taxonomical Hierarchy: RDP 16S rRNA training setNo 18 07/2020

Query File: st06686.sub100.fasta

Query Submit Date: Wed Dec 01 11:25:22 EST 2021

Display depth: Auto +

Confidence threshold: 80% +

CopyNumber Adjusted: No +
